## VEGA VELLA *Sensaciones*

Tempranillo, Grenache & Graciano.

Our own vineyards located in La Rioja Oriental with a north-south orientation, in a fertile soil, of silt and clay from Organic Farming for more than three decades. Low production field. Vineyards treated with natural products. Manual harvest.

The fermentation process is carried out at a controlled temperature, carrying out several pumping over and ballasting to favor its aromatic and color sensations. Aged for 15 months in French Oak barrels and 10 months in the bottle.

15 - 16 °C

14,5 % Vol.

Cherry red, with shingle tones and high layer.

Red fruits and sensations of vanilla and coconut, with great personality.

Friendly mid palate, highlighting the perfect assembly between wood and fruit giving it a complexity that makes it interesting.

Game dishes, red meats, bluefish and blunt legume stews.
